Pastor Corey's Home Study Notes

EHS J2 - KEM Message #36 Sunday - 3/10/2013

(Hebrews 13:8)

"Weird Has To Be Our New Normal"

Scripture References:

Acts 4:1-4, 17-20

Acts 7:54-60

Acts 8:1

Acts 12:1-5

Acts **16:17-23**

(Story about the Heart of Li De Xian)

Questions:

- 1) If your life story was placed in Acts, how would it look compared Paul, Peter, and others?
- 2) What's weird and what's normal according to your life? (Normal in the Bible vs. the Normal in the world).
- 3) When History looks back at us, what will it say? Will we be worth mentioning? (E.g. If someone picked up the Bible 100 years from now, and they knew what we do now, what would they say?
Will they say "It was stupid of them to change churches based upon music, programs, preaching personality..."
Will they say, "Why did they think it was enough just to show up?"

Pray...Amen
